## Greetings from our Youth Director

August 19, 2018

This is the Day that the Lord Has made, let us rejoice and be glad in it!

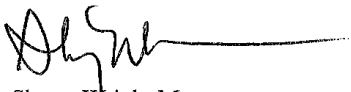

I am excited that you are sharing this annual Youth Day service with us. This year's theme "Walk It, Like You Talk It" should resonate not just with our youth but with all of us as believers. As we learn of God and come to know and love Him as our Lord and Savior over every part of our life, we must be that "light" for the world. In John Chapter 12, the scripture tells us that when God spoke to the people He indicated that He is the light of the world and that whoever follows Him will never walk in darkness but will have the life of light.

To all my "babies", I pray that what you know about God thus far will take root in your hearts so that when you are faced with the challenges of the world (and they will come) because of your love and knowledge about God, it will allow you to walk it like you talk it because you trust it! Remember God has the perfect plan for your life. Please know that I love you and I am very proud of each of you and look forward to seeing what God has in store for each of you.

To our parents, grandparents, aunts, uncles and the entire Zion family including Ms. Alicia, our minister of music, and our youth parent team, thank you for your love prayers and support. Whenever we called, you answered with an overwhelming "how can we (I) help?" You are appreciated!

And to our beloved Pastor Davis, thank you for your support from "day one". We thank God for you and your family, and we pray that God continues to give you the strength you need to do His will.

So, to God be the glory, as we "Walk It, Like We Talk It"!

Sherry Wright Moore  
Youth Director

## #61 - Rites of Passage for Youth

### A Litany from the African-American Heritage Hymnal

Leader: God bless our youth that they may grow into men and women who honor you, and reflect the best of their families and communities.

**Congregation: As they experience the difficult task of becoming adults, guide them in the pursuit of faith, identity, and purpose.**

Leader: God, save them from negative self-images, from feelings of hopelessness, and from peer pressure that contradicts the values which their families and churches have instilled in them.

**Congregation: May they understand the responsibility and sensitivity necessary to become a friend, a leader, a spouse, and a parent.**

Leader: Lord, give them role models and mentors. Grant them spiritual immunity from the brokenness and meanness of life. Help them to develop good relationships with others.

**Congregation: May they acquire knowledge of their ancestry, master contemporary life skills, and understand the multicultural dimensions of our world.**

Leader: May they value education and see themselves as an important part of their nation. Bless them to choose and prepare for careers and vocations that enrich their lives and the lives of others.

**Congregation: As they set personal and career goals, give them the knowledge and capability to achieve them. Help them to aim high, embrace good health, moral principles, respect for life and property, and desire to serve others.**

**All: God our past, present, and future, let our youth and young adults see visions, discern problems and search for solutions. Make them and shape them into strong young men and women.**
